Dedication:

I dedicate this book, "***25 Signs You Have a Prophetic Calling,***" to all those who are on a journey of discovering and exploring their prophetic gifts and calling.

To those who have felt the stirring in their spirits, the nudging of the Holy Spirit, and the longing to hear God's voice and speak His truth.

To those who may have questioned and doubted themselves, wondering if what they are experiencing is indeed a prophetic calling.

To those who have felt the weight and responsibility of carrying a message from

God, and who desire to grow in their understanding, wisdom, and discernment.

To those who have navigated the challenges and uncertainties of the prophetic journey, facing opposition, misunderstanding, and even rejection.

To those who have persevered and continued to press in, seeking after God's heart, allowing Him to shape and mold them into vessels fit for His use.

To those who have embraced the process of refinement, recognizing that prophetic calling is not about personal gain or self-promotion, but about surrendering to God's purposes and serving His people.

To those who have diligently sought after wisdom and understanding, studying the Word of God, immersing themselves in

prayer and worship, and cultivating a deep and intimate relationship with the Lord.

To those who have experienced the joy and awe of prophetic encounters, witnessing the power of God's presence and the transformational impact of prophetic words spoken in love.

To those who have humbly submitted themselves to mentors, guides, and teachers, recognizing the importance of accountability, correction, and the wisdom that comes from seasoned prophets and seers.

To those who have embraced the call to intercede and stand in the gap, praying fervently for individuals, communities, and nations, partnering with God to bring His kingdom on earth as it is in heaven.

To those who have chosen to walk in integrity and humility, knowing that the

prophetic calling demands a pure heart, a surrendered will, and a deep love for God and His people.

May this book serve as a guide, a resource, and a source of encouragement for all who are seeking to discern and understand their prophetic calling.

May it provide clarity, offer validation, and affirm the unique gifts and experiences of those who have heard the call to prophesy and carry God's messages.

May it inspire and empower readers to embark on a journey of discovering and developing their prophetic gifts, encompassing not only the signs that point to a prophetic calling but also the character, wisdom, and spiritual practices needed to walk faithfully in that calling.

May this book be a valuable tool in the hands of those who are committed to nurturing and training the next generation of prophets and seers, providing them with practical insights, biblical foundations, and the guidance needed to foster the growth and development of prophetic giftings.

With gratitude and anticipation, I dedicate "25 Signs You Have a Prophetic Calling" to all who are embracing the call to be prophetic voices in this generation. May you be equipped, empowered, and encouraged to step boldly into your calling, proclaiming God's truth and bringing His kingdom to every sphere of influence.

Preface:

The prophetic calling is a special gift given by God to certain individuals. It is the ability to hear from God and communicate His message to others. Those who are called to be prophets have a unique role to play in the Church and in the world. They are able to bring clarity and understanding to the Word of God, to offer hope and encouragement to those who are struggling, and to speak truth in love to those who need to hear it.

In this book, we will outline 25 signs that you may have the prophetic calling. By understanding these signs, you can better discern if you have received this gift and how to use it for God's glory. Each chapter will focus on a different sign and provide practical examples and insights into what it means to have the prophetic calling.

As you read this book, it is our hope that you will gain a deeper understanding of what it means to have the prophetic calling and how to use it to serve God and others. We believe that the prophetic gift is not just for a select few, but for anyone who is willing to seek God and follow His leading. It is our prayer that this book will inspire and encourage you to embrace the prophetic calling and use it for the glory of God.

Introduction:

The prophetic calling is a unique and powerful calling from God that has been present throughout history. It is a calling that is often misunderstood and can be difficult to recognize, but it is one that is crucial to the health and growth of the church and society.
