## ***My Testimony 1.***

*In 2016, while ministering during a midweek church service, I heard the voice of the Lord speaking to me, declaring that it was the time for miracle money. Prompted by this divine message, I started praying fervently and declaring God's provision of miracle money in my life and the lives of those around me.*

*During that very service, I witnessed an extraordinary manifestation of God's provision. As I prayed, a woman in the congregation suddenly found coins appearing within her hands. Taken aback by this miraculous event, she was astonished and threw the coins onto the floor. This incident marked the beginning of a series of miraculous money manifestations within our church community.*

*From that day forward, we encountered numerous instances of miracle money. People would find unexpected funds in their bank accounts, receive unexpected checks in the mail, or experience random acts of generosity from others. These instances were undeniably divine intervention in our financial lives.*

*This testimony serves as a constant reminder of the faithfulness of God in providing for His children. It has instilled in me an unshakable belief in the power of prayer and declaration, and a deep understanding that God can perform miracles in our finances. Through this experience, I learned the importance of expecting and believing in God's supernatural provision, even in seemingly impossible situations.*

*As I continue on my journey, I am committed to living a lifestyle of continuous prayer and gratitude, sharing the miracles of provision I receive with others, and using my finances for God's kingdom and purpose.*

*My personal encounter with miracle money  
has strengthened my faith and inspires me  
to trust in God's unwavering faithfulness.*

## ***My Testimony 2.***

*In Sengerema Town, Tanzania, I had the privilege of praying for a businesswoman who was experiencing a decline in her business. Recognizing her need for God's intervention, I earnestly sought God's wisdom and guidance before approaching her with an offer to pray for her business. Sensing the leading of the Holy Spirit, I reassured her that God had the power to perform miracles in her situation.*

*During our prayer session, I distinctly heard the voice of the Lord assuring me that she would experience a miraculous increase in her business. Encouraged by this divine message, I urged her to trust in God's supernatural power and remain expectant.*

*To my joy and amazement, just a month after our prayers, the businesswoman began testifying about the remarkable*

*turnaround in her business. She shared that her profits had multiplied beyond her expectations. When counting the money, she would reach a certain amount, such as 2 million, and unconventionally discover that the sum had increased to 3 million. This miraculous increase in her business revenue confirmed God's faithfulness and demonstrated His ability to bless abundantly.*

*This testimony served as a powerful reminder of God's provision and His desire to bless His children. It deepened my faith in God's ability to perform miracles even in the realm of business. Witnessing this transformation in the businesswoman's life strengthened my conviction that God is actively involved in every aspect of our lives, including our financial endeavors.*

*Going forward, I am committed to continually seeking God's guidance and direction in my own business endeavors. I am inspired to share the miracles of provision I have witnessed with others,*

*encouraging them to place their trust in God's supernatural intervention. This testimony serves as a constant reminder that with God, all things are possible, and that He has the power to turn around even the most challenging circumstances.*
