Introduction

The *Level 1 Christian Seers Training Manual* is a comprehensive guide specifically designed for individuals who feel called to the ministry of prophecy and seership within the context of the Christian faith. This manual aims to equip and train those who desire to develop and sharpen their prophetic and seer gifts, providing foundational teachings, practical exercises, and spiritual insights.

The calling to be a Christian seer is a unique and sacred appointment, bestowed upon individuals by God Himself. It is a gift that allows individuals to see and discern the spiritual realm in ways that extend beyond the physical senses. Christian seers have the ability to perceive spiritual truths, receive divine messages, and gain insight into the supernatural realms.

The ***Level 1 Christian Seers Training Manual*** is carefully crafted with the understanding that prophetic and seer gifts require training and development. While some individuals may have a natural inclination towards these giftings, they must be nurtured, honed, and guided under the umbrella of biblical study, discipleship, and the wisdom of experienced spiritual mentors or church leadership.

In this manual, we will embark on a journey that delves into the biblical foundations of the seer calling. By studying key scriptures, we will gain an understanding of how these gifts were present throughout both the Old and New Testaments and how they continue to be relevant in the lives of believers today. We will explore examples of seers throughout biblical history and learn from their experiences.

The manual will also provide practical exercises and activations to help activate and cultivate the prophetic and seer gifts within each individual. These exercises are not meant to be a one-size-fits-all approach but rather a framework for individuals to

explore and experiment with their giftings in a safe and nurturing environment. Through these exercises, individuals will gain confidence in their abilities and learn to trust the promptings of the Holy Spirit.

One of the primary focuses of the Level 1 Christian Seers Training Manual is to teach individuals how to cultivate a vibrant relationship with the Holy Spirit. Christian seers must be intimately connected with the Spirit of God, as it is through this connection that they receive divine revelation and guidance. Various prayer exercises and meditations will be explored to foster this deep relationship with the Holy Spirit.

As we journey through this manual, we will also explore the different types of visions and dreams that seers commonly experience. Understanding the language of symbolism and learning to interpret these visions is crucial to effectively discern and convey the messages received from the spiritual realm. Practical tools and techniques will be shared to enhance interpretation skills and discern the source of these visions.

Additionally, the manual will address important topics such as spiritual warfare, protection, and discernment. Engaging in the supernatural realm requires an understanding of the potential dangers that may arise. We will provide practical strategies to navigate these challenges, reinforcing the importance of walking in humility, integrity, and divine covering.

It is essential to emphasize that the Level 1 Christian Seers Training Manual is not intended to be a comprehensive guide, but rather a foundational resource that lays the groundwork for individuals seeking to develop and exercise their prophetic and seer gifts. As such, it is important to supplement this training with personal study of the Word of God and seek wise counsel from experienced spiritual mentors or church leadership.

Throughout this manual, it is our desire to encourage and empower individuals in their journey as Christian seers. We believe that these gifts are given to edify and build up the body of Christ, and when utilized with

humility and integrity, they can be powerful tools for advancing God's kingdom.

May the Level 1 Christian Seers Training Manual serve as a valuable resource to those who hear the call to prophetic and seer ministry. May it equip and inspire you to deepen your relationship with the Holy Spirit, develop your giftings, and bring about transformation in the lives of individuals and communities. Open your heart and mind as we embark on this incredible journey together.

Blessings,
