Dedication

"Dedicated to the courageous souls who have embarked on the path of advanced seership. May your unwavering commitment to spiritual growth lead you to new heights of perception and understanding. May your journey be marked by divine revelation and the brilliance of spiritual insight."

Preface

Welcome to the Level 3 Christian Seers Training Manual: Advanced Training in the Seer Ministry. This manual is specifically designed to equip and empower those who have already completed the foundational training in seer ministry and desire to go deeper in their prophetic journey.

The gift of prophecy and the ministry of the seer have always played a significant role in the Christian faith. Throughout history, God has chosen individuals with a heightened spiritual sight to help guide and strengthen His people. These seers have been conduits of God's revelation, bringing His word, wisdom, and direction to His followers.

The Level 3 training is tailored for those who have already developed a strong foundation in the prophetic, and are now ready to take their seer ministry to greater depths. It is not meant for beginners or those who have not

yet established a solid understanding of prophetic principles and practices.

Within these pages, you will find advanced teachings on various aspects of the seer ministry. We will explore topics such as discerning the realm of the spirit, interpreting dreams and visions, engaging in spiritual warfare, and developing a greater sensitivity to the voice of God. You will also learn how to properly steward and operate in your spiritual gifts, ensuring that your ministry is grounded in biblical truth and aligned with God's will.

It is important to note that the seer ministry is not meant to exalt the individual, but rather to serve the body of Christ and bring glory to God. The training provided in this manual aims to equip you with the necessary tools to operate in humility, integrity, and accountability. We encourage you to constantly seek the guidance of the Holy Spirit as you navigate the realms of the unseen and exercise your spiritual gifts.

However, it is crucial to remember that no amount of training or knowledge can replace an intimate relationship with our Lord Jesus Christ. The seer ministry thrives when it is

firmly rooted in a deep, personal connection with the Father. Therefore, we emphasize the importance of maintaining spiritual disciplines such as prayer, meditation on the Word, and worship, as these practices cultivate a posture of intimacy and hearing God's voice.

We believe that the information presented in this manual will not only deepen your understanding of the seer ministry but also ignite a greater passion for pursuing God's heart. As you embark on this advanced training, we pray that the Holy Spirit will unveil hidden mysteries and awaken your spiritual senses to a higher level.

May the insights shared in this Level 3 Christian Seers Training Manual serve as a catalyst for your growth and enable you to walk in greater authority and clarity within the seer ministry. May your journey as a seer be marked by a deep reverence for God, a love for His people, and a burning desire to fulfill His purposes on earth.

Blessings,

[Prophet PD John]

Introduction

The Level 3 Seer Training Manual is an advanced resource designed for individuals who have already completed Level 1 and Level 2 training in the prophetic and seer gifts within the Christian faith. This manual delves into the depths of prophetic revelation, spiritual warfare, and supernatural encounters, equipping seers to operate at a higher level of authority and accuracy. Through in-depth teachings, practical exercises, and prophetic activations, this manual aims to develop mature and impactful seers in the Kingdom of God.

Within the pages of this manual, we will explore the profound concept of prophetic revelation. As seers, we are called to perceive the spiritual realm and receive divine insights, visions, and dreams from God. We will learn how to distinguish between our own thoughts and impressions and those given to us by the Holy Spirit. In doing so, we will discover the significance of partnering with God as His mouthpiece, relaying His messages to His people.

To truly understand and operate in the seer ministry, it is crucial to grasp the concept of spiritual warfare. Throughout the Bible, we see numerous examples of spiritual battles and the seers who played key roles in them. From the prophet Ezekiel's visions of the heavenly realm to Daniel's encounters with angelic beings, these biblical accounts illustrate the interconnectedness between the seer gift and spiritual warfare. By exploring these stories and studying relevant scriptures, we will gain insight into how our seer gifting can be utilized in strategic intercession and prophetic warfare.

One vivid example can be found in the book of 2 Kings. Elisha, a renowned seer and

prophet, was able to see the spiritual forces at work in the midst of a physical battle. When the king of Aram sent an army to capture Elisha, the seer's servant was filled with fear as they saw the physical army surrounding them. However, Elisha prayed, **“Open his eyes, Lord, so that he may see.”** Suddenly, the servant's eyes were opened, and he saw the hills full of horses and chariots of fire surrounding Elisha for protection (**2Kings 6:17**). This story highlights the seer's ability to discern the supernatural realm, leading to divine intervention in the natural realm.

Alongside the development of our seer gift, it is vital to nurture a lifestyle of intimacy with God. Throughout the Bible, we see that seers are those who are close to the heart of God. By examining the lives of individuals such as Samuel, David, and Elijah, we will understand the importance of cultivating a deep and intimate relationship with God as the foundation for our seer ministry. In His presence, we find clarity, direction, and the strength to carry out the assignments given to us.

As we delve into this advanced training, it is important to remember that the seer gift is a powerful and supernatural ability, but it is not to be used for self-glorification or personal gain. Rather, it is a gift given by God to serve His purposes and advance His Kingdom on earth. By studying scriptural examples, receiving teachings, and engaging in practical exercises, we aim to align ourselves with God's heart and use our seer gift as a tool for His glory.

In conclusion, this Level 3 Christian Seers Training Manual seeks to take you on a journey of deeper revelation and empowerment in the seer ministry. By delving into the depths of prophetic revelation, spiritual warfare, and intimacy with God, we aim to equip and activate you to operate as mature and impactful seers. May this manual serve as a guide on your path to becoming an effective vessel for God's kingdom purposes.

Blessings on your seer journey,

[Prophet PD John]
