

**MY LOVELY
MOTHER**

My Mother Julliana, first from the left, is carrying me in her hands in this photograph taken many years ago. My siblings are standing next to her. She has a beautiful smile on her face, glowing with the love she has for her children. My older sister is on her right, looking protective and proud. My older brothers are looking mischievous and energetic. Seated next to them is my beloved granny. We are all dressed for a family photo, indicating a sense of unity and togetherness.

Looking at this old photograph brings back a flood of memories. I remember feeling safe and loved in my mother's arms. No matter what challenges we faced, she was always there to support and guide us. She taught us valuable life lessons and instilled in us the importance of family.

As I gaze at the photo, I can't help but feel a sense of gratitude for having such a wonderful mother. Her unwavering love and dedication have shaped me into the person I am today. I owe her everything.

to My Lovely Mother"**

Preface:

In the vast expanse of time, amid the symphony of lives lived and stories told, a singular bond emerges, untouched by the passage of years, unwavering in its significance - the bond between a mother and her child. Within these pages, we embark on a journey, a journey into the heart of a relationship that words can only begin to capture.

For you, John, and for the woman whose love knows no bounds, Julliana, this narrative takes form. It's more than a mere collection of words; it's a testimony, an appreciation, a celebration of a love story that has shaped and defined. In the depth of this story, we find a reflection of your journey together, a mosaic of moments that have left their mark on the tapestry of your lives.

As the pages unfold, you'll encounter not just chapters, but echoes of shared laughter, whispered secrets, and unspoken assurances. Through every joy celebrated, every challenge faced, it is Julliana's presence that weaves a thread of constancy - a presence that, for you, John, symbolizes home, comfort, and an unbreakable bond.
